

ABOUT BMCHRC

Bhagwan Mahaveer Cancer Hospital and Research Centre, Jaipur (BMCHRC), is a NABH and NABL accredited cancer specialty hospital that was established in 1997. The hospital offers cancer prevention, treatment, education, and research services and is managed by the "K.G. Kothari Memorial Trust", which aims to

provide affordable care with a human touch.

300 bedded comprehensive cancer care hospital is equipped with state-of-the-art facilities along with organ specific specialty and has registered over 2-20 lakh cancer patients since its inception in October 1997.

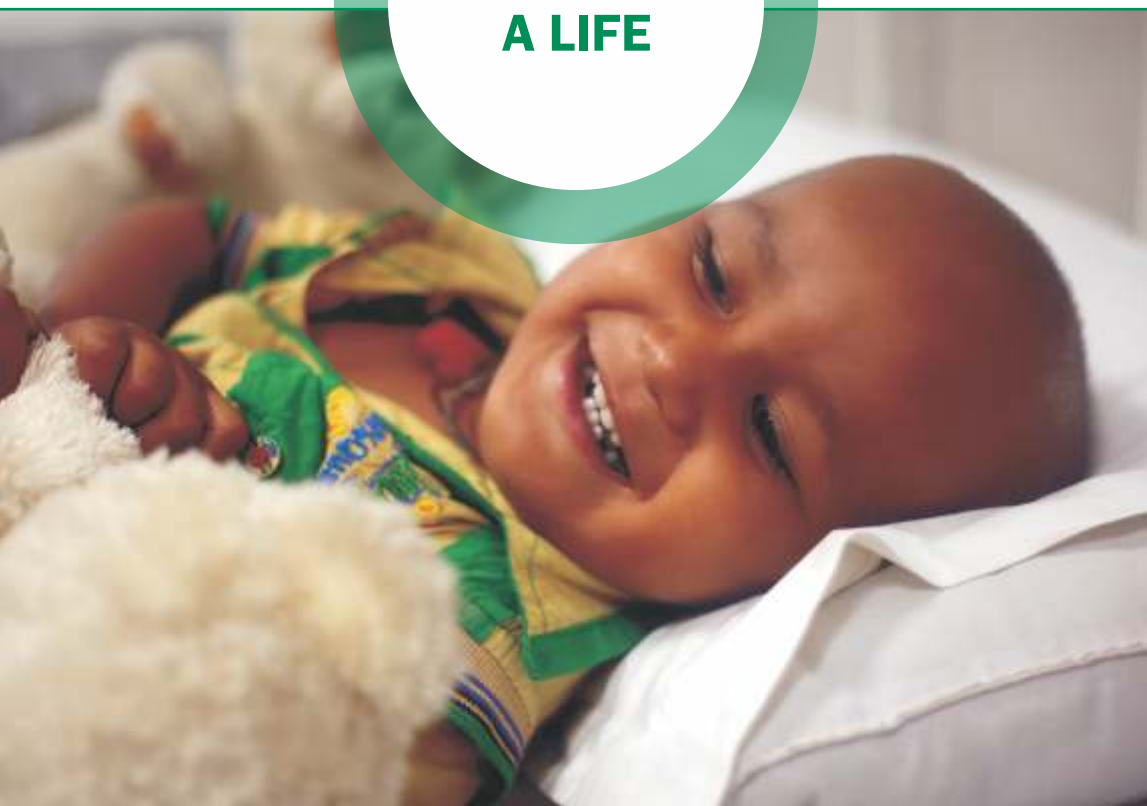

With an objective of gifting a complete happy life with holistic health and wellness, this programme has been initiated by Bhagwan Mahaveer Cancer Hospital and Research Centre to extend free treatment for the treatable blood cancers (Acute Lymphoblastic Leukemia Low Risk (ALL), Acute Promyelocytic Leukemia (APML), Hodgkin's Lymphoma (HL)) in the children aged between 1 and 14.

Project Started in August, 2014 & anticipated expenditure per patient is Rs. 5 lacs.

217 Children received free treatment including medicines (worth Rs. 7,46,82,323/-) till Mar, 2023.

153 children are undergoing the treatment. 151 children are cancer free.
